# ABOUT OUR GLUTEN FREE MENU

Hanna, my daughter, was diagnosed with Celiac disease in 2005 at 7 years old. When we opened our first restaurant, providing quality gluten-free food became a priority. Educating our staff about 'Gluten Free' was crucial.

Now, every restaurant in our OG Hospitality Group offers great gluten-free menus. Hanna, now a food enthusiast, has played a role in this journey. **However, we're not a gluten-free restaurant; we offer a gluten-free menu. While we take steps to ensure safety, mistakes can happen.**

We learn from these mistakes to improve. Through serving hundreds of GF meals daily, we take pride in our expertise. **Guests with gluten sensitivities should exercise caution not only at our restaurants but also at any place offering GF options alongside non-GF food.**
